# EXTEND THE LIFE OF YOUR OMAX WATERJET

## Performance Assurance (PA)

Extend the life of your OMAX machine with our Preventative Maintenance Program – Performance Assurance. This program will maximize the value of your abrasive waterjet while reducing unscheduled downtime, potential water corrosion, and faulty parts or materials.

## Your PA Checklist

### Section 1.1 PA Checks for OMAX Cantilevers

Machine areas inspected include but are not limited to:

- Inspect ball-screws, traction drives
- Replace all servo belts
- Replace all filters
- Grease or oil all lubrication points
- Rebuild the OMAX pump, includes one major Rebuild Kit
- Inspection of the plungers
- Inspect / rebuild all swivels using swivel rebuilt kits
- Table inspection (30 point inspection for OMAX/22 Point Inspection for MaxiEM)
- Check and reset pressure settings
- Install the latest revision of IntelliMax software (when permitted by regulations)

### Section 1.2 PA checks for OMAX Bridges

Machine areas inspected include but are not limited to:

- Inspect ball screws and traction drives
- Replace all servo belts
- Replace all filters
- Grease or oil all lubrication points
- Rebuild the OMAX, or MAXIEM, pump; includes one major pump rebuild kit
- Inspection of the plungers
- Inspect/rebuild all swivels using swivel rebuilt kits
- Table inspection (30 point inspection for OMAX/22 Point Inspection for MaxiEM)
- Check and reset pressure settings
- Install the latest revision of IntelliMax software (when permitted by regulations)

### Pump Rebuild

Annual service includes one pump rebuild

Quarterly service includes two pump rebuilds

## Our Services

Our commitment to you includes Omax Certified Technicians and unparalleled customer support to provide professional services on every front.

If you have any questions, or need assistance after your scheduled PA, please call us at +1 800 878 4747 Ext 6.

### OMAX Certified Techs

Comprehensive checks will be made by factory trained OMAX technicians on the mechanical, electrical, air, and lube systems.

### Experts in Contracting

Phillips and OMAX products and services can be purchased on GSA, via 3rd party vendor, reverse auction, IDIQs, and credit cards.

### Machine Accessories

We have access to OMAX's on-shelf availability to an extensive inventory. In most cases, OMAX is able to ship a needed replacement part to your facility the same day it has been ordered.

### Customizable Service

We offer customizable maintenance programs to meet your specific waterjet needs for both quarterly and annual visits.
